## Who are we? *Blades Of Hoop*

### Mission

Blades of Hoop provides a safe environment to learn and understand the game of basketball through guidance and development, while also engaging and building the community and youth.

### Vision

Blades of Hoop strives to help youth reach their full potential by incorporating basketball lessons, teamwork, and leadership skills that can be used not only on the court but throughout life.

- Established as a non-profit 501-(c)(3) organization in 2023 based in California
- Professional coaching and development since 2013
- In partnership with:
  - PUMA
  - State 2 State
- Sponsored in part by:
  - Park Smile

# 02

## Opportunity

- **Compete with other top tier players on the PUMA NXTPRO Girls circuit**
  - **PUMA has 12 of the nations top 25 players on the girls circuit**
  - **211+ D1 offers**
  - **101+ NXTPRO players received D1 scholarships**
  - **71+ former PUMA coaches are now College coaches**
- **Compete in front of college coaches from all over the nation**
  - **Over 1100 college coaches attend the PUMA live events last year**
- **Receive professional coaching and training**
- **Travel and experience competition outside of local teams**

# 03

## Event Schedule

**We are required to wear PUMA attire at all PUMA events on and off the court**

### High School

- Seal Beach, CA April 3rd-5th

- Las Vegas, NV April 24th-26th
- Omaha, NE May 15th-17th
- Orlando, FL July 24th-27th

# Hotel Info

The next slide will show hotels that are partnered with PUMA at a pre-negotiated group rate, that we are required to book for each team. You are NOT required to choose one of these hotels. If you would prefer another hotel that is closer or has a different rate please contact Ari and she will provide you with that information and help you book to get the group discounted rate with our PUMA links. Once you pick the hotel you want, we will send you a link to complete your booking.

The hotels listed are categorized by:

- Star rating of 3+
- Distance within 30 minutes of the main venue(s)
  - Locations where there are multiple venues, the distance is in the middle of each location

Link to google sheet with all the same information, [here](#).
